Roads, Grounds & Security

Two Roads, Grounds and Security Projects are currently underway, the Remote Delivery Facility Secure Access Lane (RDF-SAL) along Route 27 and the Pentagon Secure Bypass (PSB) Lane which involves the rerouting of Route 110 through the Pentagon North Parking lot.

New Corridor 8 Pedestrian Bridge Open!

The layout of the pedestrian bridge mimics the original curvature associated with the ground level River Entrance and walk-ways up to Corridor 8.

The new pedestrian bridge (top) is accessible by stairs and ramps (left)

Pentagon Athletic Center

The PAC will replace the existing 58-year-old Pentagon Athletic Facility with a larger facility that meets membership fitness and readiness needs. The facility will be located at basement level underneath and adjacent to the Pentagon's Mall Terrace.

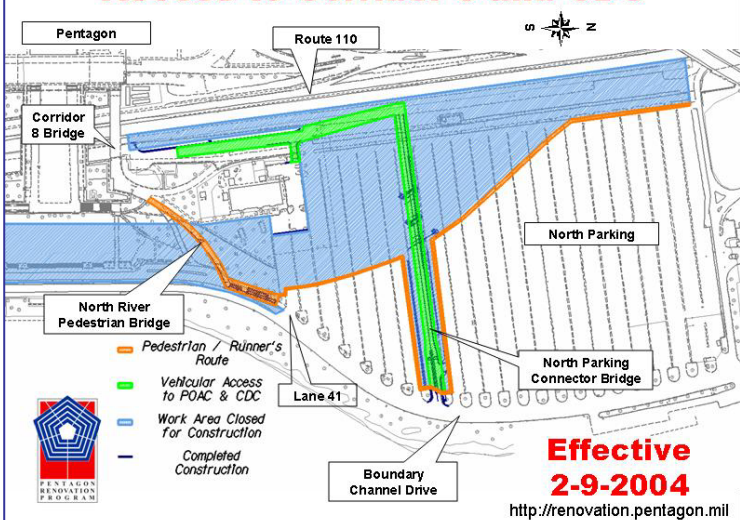

Top: A view of the PAC swimming pool. The mosaic tile "back splash" is complete. Right: A look at the new sauna in the men's locker room.

More info on this project can be found at:

Pentagon Renovation & Construction Program Office "MEET THE RENOVATORS"

Jonnita Young, Management Analyst II

Jonnita came to PENREN/C as a records management specialist. She currently provides support for the development of PENREN/C's Alternate Sites Project.

In her own words: "I am excited about the opportunity to work with a great group of people, with many different experiences and backgrounds, that mesh into one for a common goal."
